Nursery Activities and Play

Today children were able to come into school wearing red in exchange for red items for our colour raffle hamper. As some of our children are not in school on Fridays, we are going to repeat our 'red' day on Monday so that all children can wear red and bring in donations if they wish to.

We have also begun to practise for our class assembly. We have enjoyed watching the older children perform over the year and are looking forward to it being our turn!

School lunches in September

From September, children who are attending nursery for a full day or afternoon session will have the option to have a school dinner instead of a packed lunch if they wish to. These would need to be paid for in advance via Scopay. Further details will be sent out next week.

Book Focus

Next week we will continue to read the book 'Hello Friend!' by Rebecca Cobb.
