

Year One Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

3rd July 2026

Learning Journey

This week began with an exciting step forward as the children visited their new classroom and met their new teacher, Mrs Bullett in preparation for their transition to Year 2 in September.

They spent three enjoyable mornings getting to know their teacher, while taking part in a variety of engaging and creative activities. From storytelling and painting to maths games and classroom exploration, the children had plenty of opportunities to feel comfortable and confident about the changes ahead.

Mrs Bullett was thrilled to welcome the class and shared how impressed she was with their enthusiasm, kindness, and curiosity. The sessions were a great success and have helped to build a sense of excitement and familiarity that will make the start of the new term feel even more welcoming.

We are proud of how well the children embraced this transition and are sure they will continue to thrive in their new classroom come September!

Star Learner

Well done to **Giselle** for writing some fantastic sentences independently about her time in Year 2!

Reminders

Please don't forget to fill out the one page profile with your child so that we can hand it onto Mrs Bullett. These will help her to get to know your child even more before September.

The children will be bringing their books home in the next couple of weeks so please could you send in a plastic bag next week for them to eventually bring them home in.

Thank you.

Information for Parents

Friday 17th July- Last day of term at 1:30pm

Show and Tell for next week is the **Blue group (Alina, Autumn, Bela, Kit, Miley and Rosie)**
