

YEAR 3 WEEKLY LEARNING

Summer Term

Transition Mornings

This week, the children had an exciting opportunity to meet their new Year 4 teacher, Miss Hale, during three transition morning sessions. Throughout these sessions, they spent time getting to know Miss Hale and becoming familiar with their new classroom environment. Together, they explored the class rules and discussed how they can work together to create a positive, respectful and successful learning environment. The children also completed a range of activities that showcased the knowledge and skills they have developed throughout Year 3. They wrote an imaginative narrative story, demonstrating their growing confidence as writers, while also completing maths and reading comprehension tasks to celebrate their progress. Meeting the Year 4 team has been a wonderful experience, helping the children feel excited, confident and well-prepared for the next stage of their learning journey. The transition sessions have been filled with enthusiasm, achievement and many happy memories.

PE

The children thoroughly enjoyed another fantastic cricket session this week, continuing to develop both their sporting skills and teamwork. The focus of the lesson was on improving their underarm throwing technique, with the children practising accuracy and control through a range of fun activities and games. They also worked collaboratively in teams, encouraging one another, taking turns and demonstrating excellent sportsmanship throughout the session. It has been wonderful to see the children's confidence grow each week as they develop new skills while enjoying the excitement and teamwork that cricket brings.

Children to wear their PE kits - 10th July

Rock Steady Concert - Thurs 16th July

Last day - Fri 17th July

Important Messages

We are expecting a heatwave next week, so please ensure your child comes to school with a named water bottle every day to stay well hydrated. To help keep everyone safe in the hot weather, please apply sun cream before your child comes to school each morning and provide them with a sun hat to wear during break and lunchtime.

Achievements

This week achievement certificates have been awarded to:

- **Elsee** for confidently recognising the major cities of the United Kingdom and accurately locating them on a map.
- **Jude** for his enthusiastic participation throughout our Geography topic and confidently sharing his knowledge and opinions about megacities.

**Congratulations on your
exceptional dedication
and hard work!**
