

Highlights of the Week

What an unusual week!

Most importantly, everyone has returned from their transition days really happy and full of stories about who they met and what they did. We still have more Transition based lessons in school between now and the end of term, but I really do feel like the whole process is being viewed as a positive by all the children and they can't wait to move on. As much as we at Ongar all love them and will miss them, this is definitely how we want them to be feeling!

Between the Transition Days, we managed 2 final rehearsals and then the first show last night. The children really rose to the occasion with their spoken words being much louder and clearer and that made me really proud. They have worked so hard on the show, hopefully their singing and smiles will be even bigger and louder tonight and they will really enjoy the experience.

In between the above, we have continued to work on our Delight art work and Taskmaster Maths Challenges. We are holding an **Open Evening for you to come and view their Space themed art work: 5:30 - 6pm on Tuesday 14th July**. We are aware that many children are now walking / riding home alone and so hope that by doing this later time, parents who are working will also be able to come along to see the work their child has produced. Please do bring the Year 6 children with you so that they can explain / show it off!

Leavers Assembly - If your child was at a different school / off school when the Chestnut individual school photos were taken, please can you email me a photo of your adorable 4/5 year old.

Interhouse day - Next Friday is the school Interhouse day and the Year 6s get to not only participate but to help out with other year groups (particularly the Ambassadors and House Captains). Please can all children therefore be in **PE kit Monday, Tuesday and Friday next week**.

Week 11 Summer Term

3rd July 2026

01932 842785

Homework

READING! Every child should be reading for 30 minutes every day. No other homework this week.
