Continuing the learning journey...

I hope you all enjoyed the wonderful Three Bears assembly on Tuesday!

Reading at Home

We will be collecting all of the Little Wandle reading books in next week.

Information for Families

It will be our last swimming session of the year on Thursday.

Throughout the year, we have collected many photos and observations of each child. These have been put together in a special scrapbook, which will be sent home next week for you to treasure and keep forever.

Many thanks for your continued support,
Mrs Brill and Mrs Mount
