

Year 2

Learning Letter

Friday 10th July 2026

Heat Wave!

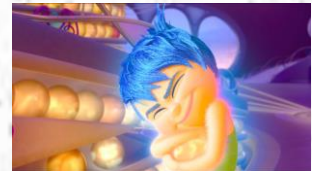

Despite being hot, we have had a wonderful week at school. We have had to change how we have done things slightly but I think the children have enjoyed it. We have sprayed them with the hose, eaten ice pops, enjoyed cold feet spas whilst we worked, had more learning breaks and enjoyed break times in the cool shelter of the trees in forest school.

Next week is hopefully going to be gradually getting cooler but it still remains hot. We would greatly appreciate **donations of ice pops**, so we can enjoy them after lunch time. **Remember hats and bottles everyday!**

Ice pops are brilliant because they do not have to be stored in the freezer straight away. They are allergy free (although I will still ingredient check every box) and many of them are sugar free!

Although it is very hot, rest assured that we are creating amazing core memories. I expect in years to come they will say: Do you remember when it was so hot, that our teacher sprayed us with a hose, we put our feet in cold water trays and enjoyed ice pops!

Important information

I am still not sure how we only have one final week left. Today you should be receiving school **reports**, please take this time to read them with your child, reflect on their year and celebrate their achievements.

You will also be receiving a letter about a few changes for Year 3. This includes drop off and uniform. Pencil case information will also be coming out as they can bring in a pencil case from year 3.

A word of warning, please don't buy fancy, expensive pens and pencil cases. This really does impact the quality of their learning. Provide them with what they need but not things that will distract them.

Next week, I would also like to invite parents and carers into the classroom on **Tuesday, Wednesday or Thursday** after school to come and see our learning journey board. If you are unable to make any of these times, please come and speak to me to arrange another time.

Jaxton
For being super helpful this week. What a superstar!

Melicia
For spreading kindness to her friends and adults.
