

YEAR 3 WEEKLY LEARNING

Summer Term

Art

Following on from the previous lesson, where the children created their own handmade paper and planned their designs, they began transferring their ideas onto the finished paper. Before starting, they carefully considered the scale and placement of their artwork to ensure they made the best use of the entire surface. The children first sketched their designs lightly in pencil, paying close attention to proportion and detail. Once they were happy with their outlines, they gradually added finer details, patterns and vibrant colours to bring their artwork to life. Throughout the lesson, the children demonstrated creativity, patience and resilience, taking great pride in transforming their original ideas into unique pieces of art.

Dear Parents/Carers,

As we come to the end of another wonderful school year, I would like to take this opportunity to thank you all for your continued support, encouragement, and partnership throughout the year. Your involvement has played an important role in making this such a successful and enjoyable year for the children.

It has been a pleasure to watch the children grow in confidence, develop new skills, and achieve so much both academically and personally. They have worked incredibly hard, embraced new challenges, and created many special memories along the way. I am extremely proud of everything they have accomplished.

As we look ahead to the new school year, please could you ensure that your child brings a clear pencil case containing all of the equipment shown in the accompanying picture. Having the correct resources from the first day will help them settle quickly and be ready for learning.

Thank you once again for your kindness, support, and generosity throughout the year. It has been a privilege to teach your children, and I wish each and every one of you a happy, safe, and relaxing summer holiday. I hope you enjoy spending quality time together as a family and creating wonderful memories over the break.

Kind regards,

Mrs Lanecka
