Dear Parents

It has been another very hot week, but with a few adaptations, we have all stayed safe and kept as cool as possible. Thank you for your support in sending children to school each day with hats, water bottles and sun cream applied.

As our Year 6 children prepared for their move to Secondary school with various workshops, we also welcomed our new Reception children into school for activity afternoons. They had a great time exploring their new classroom and by the end of the afternoon, seemed completely at home there!

Interhouse Day

Today the children all took part in Interhouse day. Unfortunately, we were not able to include all of the activities we had planned due to the heat, but the children all still had a great time taking part in different activities with their house. There were quizzes, word hunts and art competitions. Miss Knott and the Sports Crew led the indoor games with great professionalism.

While writing this, the activities are still going on so we will have to wait a little longer to find out this year's winning team. We will announce these on Monday morning in assembly, when hopefully we'll also be celebrating England's place in the World Cup semi-final!

Reception Assembly

We were all thoroughly entertained by Reception class's retelling of Goldilocks on Wednesday. The children performed beautifully with loud speaking voices and amazing singing. Well done, Chestnuts – what a wonderful year you've had!

Well done to Year 6 who have had a fantastic week preparing and cooking for themselves and their invited guests. It all smelt and looked great.

Pencil cases

In KS2, children are able to bring their own pencil cases to use in class. Teachers have talked with children during the transition mornings about what these should include and we thought a reminder before the Summer break would be useful. Ideally pencil cases should be the clear, zip up style so that they are not a distraction to learning and contain a pen, pencils, a rubber, sharpener and glue sticks. They will not require other equipment and should not bring toys in pencil cases.

School Dates. Here are some dates of upcoming school events.

	Date
Y6 Activity day	Monday 13 th July
Y4 Open Classroom	Monday 13 th July
YN Class assembly	Tuesday 14 th July
