Nursery Activities and Play

What a busy week! We have been busy practising for our class assembly next week, visiting Chestnut class for our Activity afternoons and of course lots and lots of play.

This week, children who will be continuing in Willow Class brought home details about school lunches from September. We would appreciate it if you could complete this form to indicate whether your child will be having school lunches so that we can begin to plan for numbers. If you have any questions, please speak to Mrs Pirie or the school office.

School lunches
