

Parent, Teacher and Friends Association (PTFA)

All parents are automatically members of the PTFA that meets regularly throughout the year to organise social and fund raising activities. We also welcome support from grandparents and extended family.

Social functions, for both adults and children, liven up our school year and many lasting friendships have started here.

The PTFA provides enthusiastic and much valued support for the school, including helping with the cost of maintaining our swimming pool, pantomime tickets and school supplies.
