

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School
Addlestone, Surrey O1932 842785
Issue Number One

Welcome Back!

Welcome to Year 3! ☀

We are delighted to welcome you and your children to the start of an exciting new school year. We have had a fantastic first week, and it has been wonderful to see how well the children have settled into their new routines and their Year 3 classrooms. They have approached their first lessons with enthusiasm and curiosity and have already enjoyed exploring a wide range of subjects across the curriculum. We are so proud of the positive start they have made! We are looking forward to getting to know the children, building on their achievements from Year 2, and supporting them as they take on new challenges and discover new interests. Year 3 will be filled with exciting learning opportunities, new experiences and plenty of opportunities to grow, both academically and personally. We are excited to see the children develop their confidence, independence and curiosity as they continue on their learning journey.

We truly value the partnership between home and school, and your continued support plays an important role in helping the children thrive. Together, we can encourage, inspire and support them to reach their full potential. We can't wait to see all the wonderful things the children will learn, achieve and accomplish in Year 3!

Important Messages

A few important reminders for this half term:

1. Homework is given out every Friday and includes weekly spellings, which should be practised a little every day, as well as one additional piece of English or Maths homework, which should be completed and returned by Friday.
2. Please continue to read with your children daily, as regular reading greatly supports the development of their reading fluency, vocabulary and comprehension skills.
3. We also ask that children practise their times tables every day, preferably using Times Tables Rock Stars (TTRS), to help build their speed, accuracy and confidence.
4. This half term, PE sessions will take place on Tuesdays, and children should come to school dressed in their PE kits, while swimming sessions will take place on Thursdays. Thank you, as always, for your continued support in helping your children develop positive learning habits and make great progress.

Achievements

This week achievement certificates have been awarded to:

- **Addie** for her insightful ideas about how we can improve our environment and make our world a better place. Her ideas show what it means to be a caring and responsible citizen.
- **Kady** for confidently sharing her interests and thoughtfully explaining how enjoying the things we love can support our happiness and confidence.

**Congratulations on your
exceptional dedication and
hard work!**
