Nursery Activities and Play

A big welcome to all our new and returning families. Our Nursery class is called Willow Class and we have spent this week settling into our new routines, getting to know each other and learning where things are. It has been lots of fun and we have had a great time playing with the toys but it has also been very tiring and we have needed some quiet time too sometimes! Here are some photographs from our first week in Willow Class.

Book focus

Our topic for this half term is 'Amazing Me!'. Our book focus at the moment is 'Where's Lenny?'.

Staff in Willow Class

Mrs Pirie, our deputy Headteacher oversees the provision within Nursery and we welcome Miss Reardon to Willow Class this term as a trainee teacher. We also have four Early Years practitioners who will be working with the children in Willow class - Mrs Harbridge, Miss Atkins, Miss Alexander and Mrs Leslie. Children will be assigned a key adult who will support their development but will be familiar with all adults.

If you have any questions please do not hesitate to come and talk to one of us.

Information for Families

Please ensure that anything children bring into Nursery, including water bottles, jumpers, coats and lunchboxes are clearly named. This helps us to establish routines with children and also ensures that any lost property is returned quickly to the correct owner!

Children in Willow class are now able to have school lunches and lots of us have been enjoying these this week. If you are interested in your child having lunches, speak to a member of staff. Lunches cost £2.90.
