

YEAR 6 LEARNING NEWS

Highlights of the Week

Since writing to you last week, both Ambassadors and House Captain positions have been chosen and announced. All the children who went for the positions should feel extremely proud of themselves and even if they weren't given one of these jobs, all of the pupils need to be demonstrating role model behaviour and striving to do their best as we prepare them for Secondary School. For the most part, they have been rising to this challenge wonderfully and we have had a lot of fun in lessons so far.

In History we have looked at the start of World War Two, and analysed sources to see just how big the risk was of Germany actually invading Britain in 1940.

In Science and PSHE we considered the importance of what we eat and how it is digested. In English we have continued to read Holes, finished our Zaroni stories and considered sentence punctuation and conjunctions. We've also had several spelling lessons, including using Spellingframe as well as Mathsframe. The pupils only have access to Mathsframe as a trial for the rest of this month but should have brought home their login details if you would like them to practise at home - they did really enjoy it in class!

Week 3 Autumn Term

18th September 2026

01932 842785

Residential

Thank you to everyone who was able to attend the meeting on Wednesday. If you couldn't come, your child should have brought home the forms yesterday.

Homework

Every Friday, the children are being given paper copies of the homework - generally a Maths and SPAG task - as well as being asked to read and practice core maths skills and spellings. Lots of children had to stay in this week as it hadn't been completed. Please do remind them to check their bags and ask me if they don't have a copy. It is due in on Wednesdays.

Information for Parents

Dates for the diary

28th September - 2nd October Bikeability

13th and 15th October Parent's Evening
