

Year 2

Learning Letter

Issue 3

Friday 25th September 2026

Greetings on the Gate

Every morning Mrs Masey and I stand on the gate to welcome the children in. It is one of my favourite parts of the day.

Remember to say 'Good morning!' It makes a teachers' day.

Please also encourage your child to say 'good bye' to you at the gate and walk in to the playground alone. We want to keep the playground as calm and quiet for our new Chestnut children as possible!

Next week, for anyone who manages to walk in alone, a **house point** will be up for grabs. This is a great step to becoming independent, as next year the children can enter the playground before the school day starts.

As usual, if there are any problems please feel free to speak to me at drop off or pick up.

Science

This week in science we explored fish! The children had a really good time learning the anatomy and were fascinated to take a closer look at the gills, fins and scales.

Lego Club

Accelerated Reader Workshop

Thank you to everyone that was able to attend.

For those that were unable to:

- Accelerated Reader is a programme where children quiz on books after they have read them.
- Quizzing can only be completed at school but please read as much as possible at home.
- A letter is coming home today about how to log in at home. This allows you to track and share your child's quizzes.

I will share more information at parents evening!

Class Book

Eliot Midnight Superhero

Dates for your diary

Tuesday – Swimming Friday – PE

Wednesday 7th October

Harvest Assembly 2.30

Monday 12th October

Flu Vaccination

Tuesday 13th October

Parents evening

Thursday 15th October

Friday 16th October: **Halloween Mufti**
Last day of term – 2 Week holiday

Marley

For her kindness and compassion towards other children.

Amelia

For often being the first to be ready to listen and learn.
