

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,
Addlestone, Surrey 01932 842785
25.09.26

Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Happy Friday everyone!

In Art this week, children worked in groups to compose a still-life. They explored different lighting angles to see light and dark and then made a sketch of their work, ready to paint next week.

We have moved onto rounding in maths this week. Children have been round to the nearest 10 and the nearest 100.

The children have written some wonderful sentences in their English work this week. They have learnt how to use brackets when adding extra information to a sentence. They have also learnt about personification and used this to help describe how the Iron Man was comforted after falling off the cliff.

Children are continuing to enjoy their PE lessons and swimming is always a highlight of the week for many children.

In French, children have been learning how to describe hair and eye colour. This week, they built sentences, remembering the structure of noun before adjective when describing hair and eye colour.

Christianity is our focus in RE this term and this week, the children learnt about the covenant God made with Abraham. They wrote diary entries expressing how Abraham would've felt after hearing God's revelations.

Children are enjoying learning about States of Matter in science and this week, they helped conduct an experiment to find the temperature chocolate melts at.

Wishing you all a lovely weekend, Miss Hale

Important Messages

Polite request to remind children not to bring toys in from home please. This includes 'squishies' which have proven a distraction for many in the last week.

Log-in details were sent home earlier this week for our new spelling programme Spellingframe.

This is an online platform where children will now be practising their spellings. Please get in touch if your child has lost their log-in details.

TT Rockstars homework is due by Friday

Important dates

Cauliflower Christmas cards return deadline -
Friday 9th October

Parents Evening - Tuesday 13th October

Y4/Y5 STEM workshop - Weds 14th October

Parents Evening - Thursday 15th October
