

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,
Addlestone, Surrey 01932 842785
02.10.26

Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Happy Friday everyone!

This week, we finished our maths unit on place value, with a focus on rounding to 10, 100 and 1000. Children have now completed their end of unit assessment and next week, we move on with our next unit - addition and subtraction.

In French this week, children learnt how to describe a person's personality as well as their physical appearance.

In computing, children explored what a website is and how content is added to websites. They then created their own musical content on Chrome Music Lab.

In English, we have continued to read The Iron Man and write effective sentences for our reader, such as those featuring alliteration and noun phrases.

Children continue to enjoy PE lessons with Coach Will. This week in gymnastics they learnt how to put together contrasting and symmetric jumps.

Our art lesson saw us painting the compositions we sketched last week, with a focus on using tints and shades to create light and dark.

Evaporation was our learning this week as part of our unit on States of Matter. This week, we experimented to find what effect temperature has on the rate of evaporation.

Our STEM workshop is in two weeks. Please complete the media consent form coming home today and return this asap.

Wishing you all a lovely weekend. Miss Hale

Important Messages

Several children continue not to engage with their homework. If homework is not complete, children will be staying in at lunchtimes to complete it in school. Please support your child at home to engage with their spelling and times tables practice.

Log-in details were sent home earlier this week for our new spelling programme Spelling Frame.

This is an online platform where children will now be practising their spellings. Please get in touch if your child has lost their log-in details.

Spelling homework is due on Tuesdays. TT Rockstars homework is due by Friday.

Important dates

Cauliflower Christmas cards return deadline -
Friday 9th October

Parents Evening - Tuesday 13th October

Y4/Y5 STEM workshop - Weds 14th October

Parents Evening - Thursday 15th October
