

Highlights of the Week

We have covered a lot of Grammar this week so hopefully the homework tasks should be feeling slightly easier! This morning we went through the answers to some of the questions they are bringing home tonight so the sooner they complete it the more chance they have of remembering! Spellingframe is also accessible at home and we do keep an eye on the Leaderboard of points so it would be great to see this being used as well as TTRS. At the moment, Sienna has earnt the most points this week, Amelia for the month and Sol for the year.

In Maths we have worked very hard on written long multiplication methods so again, hopefully the homework will be great consolidation.

Reading Holes has been a highlight for many this week and we are really getting into the exciting bits - sorry if any children look nervously at red nail varnish from now on!

Week 6 Autumn Term

9th October 2026

01932 842785

Equipment

At the start of the year, we asked all children to bring in their own equipment. This was because we find the children don't value what they are lent (leaving lids off etc) and often they forget to return it too. I'm finding that I am still having to lend lots of pencils, pens, whiteboard pens and glue sticks. Please can everyone have a restock and also return anything that may have accidentally have been taken home.

Information for Parents

Dates for the diary

13th and 15th October Parent's Evening
16th October Mufti Day and Break up for Half Term

Monday 2nd November return to school
18th December - balance due for High Ashurst.
Please speak to us if this is going to be difficult.
Please do not hesitate to contact me if you have any worries or concerns.
