Continuing the Learning Journey!

It has been a Spooktacular day in Chestnut Class!

This week's learning:

- In Little Wandle we have been blending words, reading the tricky word 'the' and writing simple words.
- In maths the children are exploring how numbers are made of 1's.
- In Art the children are exploring pens, pencils and chalks.
- During our PSHE sessions we are sharing our thoughts and feelings in different situations.

After the half term break…

We will soon be starting our reading groups. Each child will bring home a reading book to share with you and a storybook to enjoy together. Please keep these books in your child's book bag at all times, along with their yellow reading record. We ask that reading records are updated at least once each week.

Information for Families

Here is the link to purchase the Little Wandle flashcards: https://collins.co.uk/products/9780008563738
