Friday 16th October 2026

We have now officially finished our first half term of the year! Although it has flown by, we are all ready for 2 weeks off. I have not set any homework over half term, please continue to use Numbots, TTRS and continue reading and sharing books.

Parents evening

Thank you to everyone who came to parents evening this week. It was lovely to share achievements and future targets with you all. Next term we have a busy timetable, full of lots of wonderful learning and soon we will be starting the nativity.

Traction Man

This week we have finished our Traction Man story and the whole class have written some wonderful stories all about Traction Man's adventures at Ongar Place. They have worked hard to use full sentences and have included some great vocabulary and connectives.

Baking

Thank you to everyone who made donations for our carrot cakes.

We will be baking in the first week back after half term!
