Continuing the Learning Journey!

The weather is certainly becoming colder, please ensure your child has a warm coat. We have our outside area open the majority of the time and the children do like to make the most of it.

This week's learning:

- In Little Wandle we are continuing to blend simple words, reading the tricky words 'put, pull and full' and writing simple words.
- In maths the children are subitising to 4.
- During our PSHE sessions we discussed keeping safe around Fireworks, why we celebrate Bonfire Night and about Diwali celebrations too. We also discussed special people in our lives and sketched pictures of them.
- In Art the children have been finger painting patterns.

Next Week…

We will continue with our reading routine, three times a week, the same book, then they bring that same book home. These books then change the following week. More advice on how to share wordless books is available on the parent's portal on the Little Wandle website.
