Continuing the Learning Journey!

Due to the photographs taking place we did not have PE this week, we will also use some of our PE slots to rehearse for the Nativity soon. However, we do have plenty of other physical exercise sessions: Meditation, Yoga and Jump Start Jonny.

This week's learning:

- In Little Wandle we are continuing to blend simple words, reading sentences, reading the tricky words 'AND, HAS and HIS'.
- In Music the children have been exploring instruments and how to change them into fast and slow rhythms and sounds.
- In Art the children have been painting to music.
- In maths the children are comparing quantities.

Show and Tell

Every Friday we invite the children to bring in items (photos, souvenirs, objects of interest) for show and tell. Strictly no toys or anything precious or breakable.
Thank You!

Nativity

I apologise for the date mistake in last weeks learning letter, the Nativity is of course in December! I will send home a letter in a couple of weeks outlining the finer details, including the role your child will play and costumes needed.

Information for Families

Dates for your diary

Wednesday 9th and Thursday 10th December: Nativity performance.

Many thanks for your continued support,
Mrs Brill and Mrs Mount.
