Continuing the Learning Journey!!

Harvest Festival

Further learning:

- We have been making Christmas cards that will be sent home for you to view on Monday. If you like them you can place an order using the slip provided and order as many as you like. This activity is run by the PTFA and earns extra funds for the school.
- In PE we have been using the parachute to play team games and follow instructions.
- The children have created autumn collages using conkers, leaves, acorns and twigs
- I read the book 'The Owl Babies' and the children used their new phonic skills to write about the story.

Focus on Learning

This week the children brought home a reading book. Most books do not have words in. The main aim is to talk about what is happening in the pictures and predict what might happen next. The children will get dedicated time to read with an adult but are also learning to read during our phonics sessions (3 times a week). If you would like to help in class by reading with the children and have a DBS check please let me know.

Many thanks ☺.

Class Star Learner

Lennon

Has an enthusiastic attitude to learning and is keen to participate in all activities!

Well done

Information for Families

We have a number of children mislaying their jumpers/cardigans/swimming kits. Unfortunately if they are not labelled then it makes it almost impossible to get them back. Please help us and your child by labelling all items.

PE kits will be sent home to wash at the end of half term.

Also, if you find anything that doesn't belong to your child please return it to the rightful owner.

Many thanks,
The Chestnut Team
