

# Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 7  
15<sup>th</sup> November 2019

## Beginning the Learning Journey!!

Christmas is just around the corner and during our music lessons the children have started to learn some of the songs in our production 'It's A Baby!' Only a few children have words to learn but rest assured that every child will get a chance to go onto the stage. A letter to apply for tickets will be sent out soon.

### This week's learning focus:

- We have been ordering Numicon and playing number recognition games.
- We practised throwing and catching bean bags in PE.
- We read 'Whatever Next!' and acted out the story, wrote a list of items that we would take to the moon and made a spaceship out of a large box to go into space!

## Focus on Learning

We are learning about different festivals and celebrations during this half term.

We are also focussing on number recognition, counting and ordering numbers.

## Class Star Learner

Milo

For his fantastic reading and independent writing this week!

## Information for Families

Nativity costumes need to be sent in by Friday 22<sup>nd</sup> November, please let me know as soon as possible if you have any questions.

Many thanks,  
The Chestnut Team
