Dear Parents,

There is no official 'Headlines' today; I will start again next Friday.

However, I would like to say WELCOME BACK to everyone and THANK YOU to the whole school community; parents, children and staff for making the first two days back a success. The children look happy to be back in the classrooms with their friends - although there were lots of yawns and tired faces by the end of Thursday (on children and staff!)

Drop off was much smoother this morning and I'm sure any other teething problems will be ironed out in the next few days. We look forward to welcoming our first group of reception children on Monday. Breakfast club and After School Club also start again on Monday.

Learning Letters are currently suspended until at least half term, as teachers concentrate on their classes and the new routines. However, there will be a curriculum letter sent to all parents next Friday detailing the learning children will be undertaking this term.

As always, don't hesitate to get in touch if you have any questions or queries.

Have a great weekend.

Best wishes

Tracy Good
