

## Kosie

Thank you for coming to find out more about our fantastic school. I am Rosie the head girl.

I am Daniel the head boy. I am Josh the deputy head boy. And I am Jess the deputy head girl.

We had to be interviewed by Mrs Good and Mrs Pirie to get these jobs and we are proud to have these responsible positions in our school.

## Josh

We have a set of Ongar Rules that we all follow and our school values are important in everything that we do. We belong to 4 different houses that we changed to celebrate 50 years of Ongar School, that we can earn house points for. Every year we have an interhouse day and a sports day where we compete in our houses –these are always great fun. We are setting up family groups within our houses where we get together in smaller groups with children from all years and share our learning, get to know each other better and we are looking forward to having lunch and playtimes together aswell.

## Daniel

We all started in reception at Ongar Place and have loved it ever since. Every teacher has helped us to exceed our own expectations and helped us to do the very best we can. At Ongar Place we are really lucky to have fantastic teachers, TAs and support staff, especially Mrs Gailor and Mrs Straker our ELSAs, who are always there for us. Ongar Place is a good school because it is small enough to care for every child and support them.

We have lots of space at school where we can learn including a music room, library, swimming pool, field, 2 playgrounds, kitchen and a large school hall which is used for assemblies, PE lessons and of course our lovely school dinners. We do regular fund raising events like cake sales, mufti days and sponsored events to raise money for charities and our school.

## Rosie

As well as our 'normal' fun lessons we have a lot of really exciting events at Ongar Place to broaden our learning experiences. This year already we have had a day of languages, lots of sports matches and competitions, Chertsey Museum, Dragon's Den and next week year 6 are going to take part in the Junior Citizen Programme.

We also have lots of trips and visits including day trips to museums, farms, the Lightbox, Wisley Gardens and more. Every year the whole school goes to see the pantomime in Camberley and years 5 and 6 have residential trips to Sayers Croft and High Ashurst. We are really looking forward to our trip in February. We even have a careers week to help raise our aspirations for the future.

## Jess

Our school council help to improve our school and have weekly meetings to share ideas. They are trying to set up a den building club at the moment and have a suggestion box for everyone to put their ideas in.

We have a load of different clubs every week at school including: football, rugby, running, sewing, choir, dance, coding, crochet and many more. These are run at lunchtimes or before and afterschool. There is also a breakfast club before school.

We love being part of Ongar Place School and we would grade our school 10 out of 10 and know that when your children come here they will feel the same.

Thank you for listening.

WHAT IS IT LIKE TO ATTEND THIS SCHOOL?
