

Development Area 1

Establish a curriculum which addresses recovery, is appropriately broad and balanced and supports all pupils to be ready for the next stage of education.

Development Area 2

Determine and initiate an appropriate platform / system to deliver on-line learning for homework and emergency.

Development Area 3

Use appropriate assessment effectively to discover gaps created by closure and support the teaching of the curriculum.

Development Area 4

Continue to prioritise reading to develop fluency, confidence and enjoyment.

Development Area 5

Rebuild community wellbeing and provide support and signposting for children, staff and parents.

As a school we continue to recognise the importance of continuing professional development and this year this is threaded through the individual development areas.

2020 - 2021
