1st April 2021

Continuing the Learning Journey!!

It is hard to believe we are at the end of term already. The children have been busy having fun completing lots of Easter activities and of course growing their runner beans. We have a group winner...Banana Group! They have each received a chocolatey prize.

Aspects of learning:

- During Read, Write Inc we have been consolidating our learning and recapping sounds.
- The children learnt about the Easter story.
- The children made chocolate nests and cards.

DON'T FORGET: After the Easter break the children will be able to sit with Amber (our gorgeous school dog) and read to her. This is only for those children who have given permission via tucasi. If you would like this re-sent please email the office.

Focus on Learning

Next term our learning topic is 'Goodies and Baddies'.

I will add some home learning onto the Seesaw app for the Easter break. The focus may be topic or learning related.

Class Star Learner

Bella

For having lots of lovely learning conversations with her friends and teachers.

Information for Families

I have booked a trip to Gatton Park in Reigate for Wednesday 16th June and I am hopeful this will go ahead. I am also planning a trip to the local park (with picnic!) for the end of the year. More information will be sent out closer to the time.

After the Easter break the children are allowed to wear summer uniform. Have a wonderful Easter and thank you again as always for your support.

Many thanks,
The Chestnut Team
