Continuing the Learning Journey!!

Our first swimming was very successful! Many thanks to the helpers who were brilliant ☺
A quick reminder that both boys and girls need to wear swimming hats and the children need two towels, one to stand on and one to dry themselves.

Aspects of learning:

- During literacy the children wrote about superhero powers.
- The children made superhero power bars with Mrs Mount and Mrs Denyer today. They will be bringing them home to enjoy.
- We have started to enjoy assemblies again! We have had a singing and story assembly in the hall. Hopefully soon our online assemblies will be a thing of the past!
- In art the children listened to superhero theme tunes whilst sketching their favourite character.

Focus on Learning

Next week we will be sharing equal amounts during maths and reading clues in literacy.

Class Star Learner

Theo
For his fantastic
artwork

Information for Families

Don't forget it bank holiday Monday next week so school will be closed.

As the weather warms up (hopefully!) it's even more important for your child to have a water bottle in class. These can be refilled throughout the day from our filtered water tap.

Many thanks,
The Chestnut Team
