Continuing the Learning Journey!!

We have been busy this week searching for clues to find some missing jewels! The children made telescopes and posters, wrote letters and made traps to try to capture Pirate Pete. No luck though, the search continues...

Aspects of learning:

- During literacy the children wrote letters to Pirate Pete.
- In maths we shared food into equal amounts.
- Our PE lesson was all about navigating space safely and playing team games.

Focus on Learning

Next week we will assess the children's progress in reading, writing and maths.

Class Star Learners

Penelope

For her amazing independent writing

George

His amazing construction building

Information for Families

Show and Tell is on a Friday. The children can bring in something from home to talk about to the class. This can be topic related or something of interest (nothing expensive or breakable). No toys. If your runner beans are still growing please upload a photo onto seesaw so I can add it to the collection.

Many thanks,
The Chestnut Team
