## Dear Parents

What a glorious week of sunshine – and then today!!! The weather is so changeable but thank you for trying to ensure the children are properly dressed whether in waterproofs and wellies or sun cream and hats. If this rain continues next week (as forecast) it may be worth popping a spare pair of socks in your child's bag, as this is what we get asked for most.

The announcement on Monday from the government, that restrictions would not be lifted, was disappointing. However, due to our status as a school and with some careful risk assessment we are pretty certain that we will be able to go ahead with the events we have planned for the last four weeks of term including trips, transition and class performances. See below for what we managed this week! Have a great weekend, Mrs T Good

The school photographer is in school on Monday to take class photos. Please can you make sure your children are in full school uniform. If they have PE on Monday they need to bring their PE kit in and change in school.

## Sports Day Results 2021

On the 9th-11th June Ongar Place held their Sports Events.

Year R, 1 and 2 took part first and showed some fantastic skills and tried hard in the events they took part in. They had to show their throwing, dribbling, kicking and balancing skills amongst other things. All the children scored points for their house.

On Thursday morning Years 3 and 4 took part in a different set of activities to the younger children again showing their skill in throwing, running and jumping. They were very competitive and this made for great competition.

On Friday, the Years 5 and 6 classes completed the Sports Event using the same events as Years 3 and 4 but it was harder to score points as the events were more challenging. You will see in the table below that there were some very close results across all year groups

All 3 events were fantastic to be part of and this was helped greatly by the children from Year 6 who acted as scorers and marshals (setting up the events) in an extremely professional manner- thank you.

House	Yr R	Yr 1	Yr 2	Yr 3	Yr 4	Yr 5	Yr 6	Total

## Year 3 Assembly

Well done to Year 3 for a fantastic assembly on Wednesday. It was all about the theatre and they also told the story of The Gruffalo. All the children performed incredibly well with great loud voices and some good acting skills. The singing was also fab. Thank you Mrs Reed, Mrs Meyer and Mrs French.

## Gatton Park and Wisley

This week Y4 went off to Wisley for the day. They learnt lots about plants and came back having potted their own. On Wednesday Y1 and YR were able to go Gatton Park, with their teddy bears. They had a fantastic time exploring, listening to stories and picnicking. Thank you to all the parents who accompanied them.
