

YEAR 2 WELCOME LETTER

Ongar Place Primary School, Addlestone, Surrey O1932 842785

10th September 2021
Week 1 Autumn 1

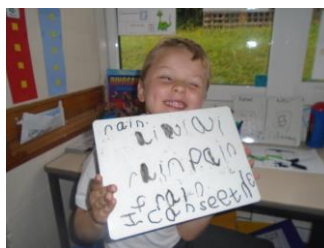

Welcome Welcome Welcome

What an amazing start to our year! Children have settled well into an excellent morning routine which includes spelling practise, reading and handwriting.

In maths, children have been revisiting place value by representing different amounts with various manipulatives and writing the numeral and word for the amount. They have drawn pictures, base 10, counters and used a place value chart. We have revisited our 2 times tables.

Over the first few days, children have been listening to Superhero stories and our main book is "Super Daisy". They have role-played the story in the woods, we have designed our own Superhero costumes and we have started to make Planet Pea and Planet Earth for our display.

We have linked this with our Seven Continents unit in Geography. Amazingly, the children received a parcel from "Cedric" who is travelling the globe finding out all about continents.

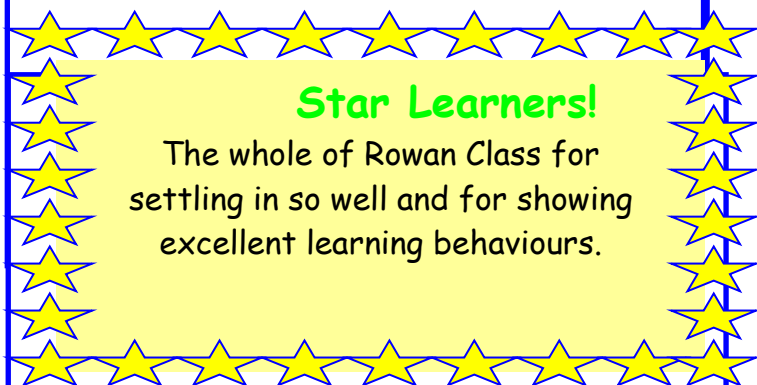

Focus on Learning

Children will revisit all their sounds in phonics. They will be practising their handwriting and trying to do joined up writing once they have perfected the letter formation in print.

For Design and Technology, the children will make "moving books" using various mechanisms. Their story ideas will be inspired by "Super Daisy".

In maths, children will be revisiting place value, practising their counting skills and writing the numerals correctly. For reading, they will be receiving many guided reading sessions and we will be helping them to choose the correct level books for their stage. They will then be using Accelerated Reader to complete quizzes independently.

I am so pleased to see the children taking charge of their own learning. Super proud of these SUPERHEROES! Well done.

Star Learners!

The whole of Rowan Class for settling in so well and for showing excellent learning behaviours.

REMINDERS

- ✓ PE clothes to be in all term - fully named.
- ✓ Swimming on Tuesday afternoons - volunteers needed please
- ✓ No reading record books will be sent home this year - only their book to read

Many thanks,
Mrs Marwick
