

Year Four Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

18th March 2022

Learning Journey

It has been another busy week in Year 4 with lots of great learning happening. We have set ourselves a challenge to carry out random acts of kindness this week to try to make others smile.

In English we have been planning and writing non-chronological reports. After reading 'The Matchbox Diary' we discussed immigration and the different reasons people move countries. We then researched and wrote reports based on this.

In Maths, we have continued to learn about fractions this week. We have been adding and subtracting fractions and have especially enjoyed using special chalk pens to practise our calculations on the windows!

In our Computing lessons we have been practising our copying and pasting skills. We have copied images and text from one source and pasted it into a different document/programme.

Star Learner

Well done Lara for great enthusiasm about her Maths this week!

We held a class vote for our new Pupil Voice representative. Everyone who wanted to be considered needed to write and deliver a speech to the class before votes were made. All the speeches given were excellent and we were very impressed with the thought that had been put into them. Congratulations to Lily, who joins Molly-Rose as our Pupil Voice representative.

Information for Families

Wednesday 23rd March
Primary Music Festival

Thursday 31st March
Rock Steady concert

Friday 1st April
Last day of Spring term
