

YEAR 2 LEARNING LETTER

Ongar Place Primary School, Addlestone, Surrey O1932 842785

25th March 2022
Week 5 Spring 2

Fabulous Learning

The children have engaged in lots of PE this week as the weather has been perfect. We had several stations set up to have a go at skipping, using a hoola-hoop, weaving between cones and running activities.

We continue to enjoy a running game called "Fruit Salad" and the children have built their fitness levels considerably well over the last couple of weeks. They are now running the full length of the field several times. I cannot seem to wear them out! Please ensure they have the correct shoes for PE.

In history, the children have been learning about telegrams and morse code. We were also finding out why messages were sent in code during the war. They had to make up their own codes for their names.

Children are quite tired so we decided to focus on some art activities, DT, PE and reading for the rest of the week. We also managed to finish our Mother's Day gifts. Hope you enjoy!

Focus on Learning

In the last week of Spring Term, we will continue with many Art and DT activities relating to Easter. They will create a portrait piece of an Easter Egg using the element of line to design the shell of the egg and the border. They will paint a rabbit using their knowledge of shape to draw the picture first and complete using paints. The children will also be using chalks to create a silhouette of a rabbit.

There are other activities being organised by the PTFA but we will also try to make some Easter Nests with melted chocolate and rice crispies in a cupcake holder. We have so much to fit in and only 4 $\frac{1}{2}$ days left!

If we can, we will try to finish our History unit by looking at some other animals that were used during the Great War. Children have learnt about messenger pigeons already but they will find out about how horses played a big role too.

Star Learner

Sami for his excellent running in PE - Sami uses his arms well and he keeps his head up to focus ahead. Well done Sami!

REMINDERS

- ✓ PE clothes to be in all term - fully named.
 - ✓ Reading Record **Books to be returned each morning** with reading books
 - ✓ With the weather getting warmer, a named water bottles in each day please
 - ✓ Break up day is 1st April 2022 at 1.30 pm
 - ✓ No home learning out on last day of term - lots of rest is needed please
- Many thanks,
Mrs Marwick
