

# YEAR 2 LEARNING LETTER

Ongar Place Primary School, Addlestone, Surrey O1932 842785

1<sup>st</sup> April 2022  
Week 6 Spring 2

## Fabulous Learning

The children have been painting their bunny rabbits but they first used their knowledge of shape and line to draw the outline. We discussed how to hold a paintbrush correctly and wipe off any excess paint so as not to drip everywhere! The children's listening skills and their patience is developing well as each step required them to follow simple instructions. They took part in a Easter Egg Hunt with the PTFA on Tuesday morning and they made Easter Nests with Mrs Tuttle. The egg-citement was unbelievable! Our fitness sessions in PE are progressing well as they have been exploring exercises that use their own body weight. They were doing tuck jumps, heel flicks, sit ups, lunges and high knees.

## Focus on Learning

For our last term of the academic year, the topic will be The Great Fire of London. Children will be doing some programming in IT and we will be doing fractions again in Maths. The children will be finding a third of an amount.

## Happy Easter to all!

## Star Learner

**Archie** for his amazing progress in writing independently! Well done Archie - practise makes progress!

## REMINDERS

- ✓ Swimming starts again on 26<sup>th</sup> April 2022 and will be on a Tuesday afternoon - parent volunteers needed please!
- ✓ Reading Record **Books to be returned each morning** with reading books
- ✓ With the weather getting warmer, a named water bottles in each day please

Many thanks,  
Mrs Marwick
