29th November 2019

Learning Journey

Rehearsals for our nativity are going well. Thank you for sending in the costumes, they look fantastic. We are looking forward to trying on our costumes and performing to the school and our families soon.

In English we used the pattern in the song 'London's Burning' to help us write our own poems. We thought about which words and phrases were repeated and what the different rhythms were. We had great fun performing our finished poems to the whole class.

In our Computing lessons we have been learning to use code to make objects move around on screen. This week, we all designed our own games with buttons to move objects.

We have also been learning about how to stay safe online by not sharing personal information and talking to an adult if anything we see worries us.

Star Learners

Well done to Mirabelle, Lily and Rhea. They worked together beautifully to create and perform a fantastic poem about a girl who couldn't find her dolls.
