

Ongar Place Nursery News

Ongar Place Nursery School, Addlestone, Surrey 01932 842785

22nd April 2022

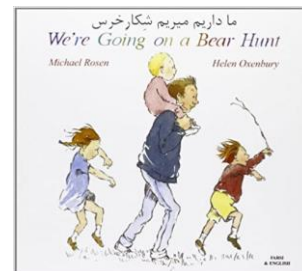

Welcome to Ongar Place Nursery!

I would like to welcome you all to Ongar Place Nursery. I am Mrs Brill, Early Years leader and along with the amazing nursery staff we will continue to provide your children with a wonderful, safe, learning environment. Our nursery will enable your child to flourish and have lots of exciting, memorable experiences. I will be based in Ongar Place School, in my Reception class. Carol, Deputy Manager will continue to oversee the day to day provision for your children alongside a fantastic team of practitioners, Sarah, Emily, Danielle, Sophie and Olly. Each Friday we will send out a Nursery Newsletter to give you information on up and coming learning and events, as well as a platform to show you lots of photos of your children's time at nursery.

Next week

Our story focus next week is 'We're Going On A Bear Hunt'. We have linked our theme across the seven areas of learning so the children will be counting bears, retelling and role-playing the story as well as searching for the bear in our wooded area!

Information for Families

Just a quick reminder to label all water bottles and clothes. Also, if the weather is hot, your child will need sun cream applied before nursery and a sun hat.

Swimming is on a Tuesday morning, we have sent out a separate letter with more information about this. Don't forget to spread the word about our new nursery; we have a few spaces left!

From Monday there is no need to bring a snack in for your child as we will provide a healthy snack for them.

Any questions regarding admin please speak to a member of Ongar Place School office. Any queries regarding nursery please speak to Carol or myself.

Thank you for your support,
The Nursery Team
