

# YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,  
Addlestone, Surrey O1932 842785  
Issue Number Seven  
28<sup>th</sup> April 2022

## Summer Term

### Presentation:

Since coming back to school, Maple Class has been improving the presentation of all of their work books. Our routine is working well, and the children have already seen big improvements from their previous work.

### Maths:

The children are focusing on tenths and hundredths, as well as dividing 1 or 2 digit numbers by 10 or 100. We took our maths learning outside, and completed some group maths challenges in the sunshine!

### Science:

Our new topic is called Animals inc humans. We have started off by understanding the diets of animals and how a food chain is established.

**Our Values:** Teamwork, Honesty, Self-belief, Determination, Passion and Respect

### STAR LEARNER

Star learner has been awarded to **Isla**. Upon her return to school, Isla has been so dedicated to all aspects of learning. Her work has been to a high standard.

Well done, Isla!

### Important Messages

#### English:

After finishing our class book, Tar Beach, the children were asked to use their IT skills to create an informative tourist leaflet about New York.
