Ongar Place Primary School, Addlestone, Surrey 01932 842785

13<sup>th</sup> May 2022

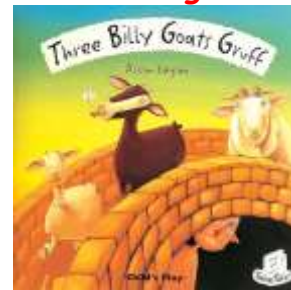

## Continuing our Learning Journey...

Our story focus has been The Gingerbread Man this week. There were many creative learning opportunities and the children were developing their fine motor skills during painting and chalking. The story was role played by the children and they thoroughly enjoyed joining in with the repeating rhymes.

## Next Week

*Our story focus next week will be The Three Billy Goats Gruff. We have many different activities planned for the children to enjoy across all areas of learning.*

## Information for Families

Nursery uses the Tapestry app to track the children's learning progress. Whilst this gives parents many photos, it is very time consuming. In order to spend more time interacting with the children and in line with the new EYFS framework, Tapestry is no longer required. This will enable us to spend valuable time understanding the children's learning on an individual level. The children's progress and development will continue to be tracked and fed back to parents. Photos will continue to be put on learning letters for you to enjoy. As the app will soon close down please download any photos on your account so you can keep them.

Many thanks for your continued support  
The Nursery Team
