

Amber-lines

Dear Children,

Mrs Good has been away inspecting another school this week and has left me in charge of Headlines. I have had a lovely week and especially enjoyed being able to spend more time outside now that it is beginning to get warmer. I love spending lunchtimes playing on the field with you all. As always it has been fun to visit you in classes and help with all your learning.

Amber RULES!

Approach me calmly from the front
Stroke my back with one hand only
 Make sure I never have more than three hands on me
If I move away, leave me be
 Only feed me dog treats that an adult has given you

Having treats at playtime

Practising my numbers in Reception

I found a library specially for dogs!

After School Club

One of my favourite parts of the day is After School Club. I get to join in with the activities, go for walks in the playground and get lots of strokes and attention.

Can you spot me in After School Club?

The Queen's Platinum Jubilee

I am really looking forward to our Jubilee celebrations next Friday. The Queen has reigned for 70 years and we are celebrating with an Ongar Place street party. Remember, you can dress up as Kings and Queens or wear red, white and blue clothes and we will be eating a special Jubilee lunch outside.

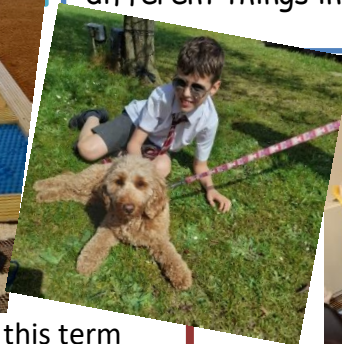

Visit to a Sensory Room

I have never been allowed into the sensory room at Ongar but I hear it is very calming so I went to visit a sensory room just for dogs! There were lots of plants for me to smell, different textures to walk on and even a mirror for me to see my reflection in.

Pupil Voice

I went along to the Pupil Voice meeting this week. Pupil Voice meet with Mrs Denyer every week to think about ways we can look after our school environment and become more sustainable. This week they were discussing ideas for ways we can reuse different things in school.
