Our Values: Teamwork, Honesty,
Self-belief, Determination, Passion
and Respect

Focus Learning

Welcome back! I hope everyone had a relaxing and enjoyable half term, ready to start the new term with positivity and enthusiasm. First week back and we have done lots already!

In Maths, we have been focusing on using numbers line correctly and being able to place a 2 or 3 digit number in the correct place. We decided to take this learning outside to have a relay race. The children had to work as team to complete the next part of the number line.

In Art, we have started to look at sketching bodies and thinking about the positioning of our joints. We tried a few poses ourselves to use as inspiration for next week.

Our new PE unit is Dodgeball. We are focusing on how we travel in a space and effective throwing and catching.

We have focused on the pronunciation and spelling of introducing family members, in French. We created our own family portraits to demonstrate this understanding, by taking a snapshot and then bringing them to life.

Star learner

Our Star Learner this week is Blake for his positive attitude and enthusiasm towards his learning. Well done!

Information for Families

- Please can all children bring in their reading book and record every day, along with their flashcards.
- PE Monday and Thursday.
- Home learning is given to children on Friday and is expected back in on the following Wednesday. We do discuss the home learning before the children take it home.

Thank you
