

Ongar Place Nursery News

Ongar Place Primary School, Addlestone, Surrey 01932 842785

17th June 2022

Continuing our Learning Journey...

The children in nursery have been learning about plastic pollution this week. They have been litter picking and learning about how plastic affects sea life.

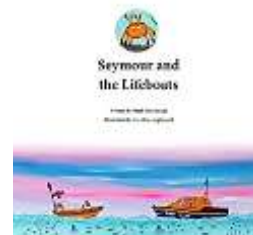

Next Friday morning we will have a mini sports event for nursery to enjoy. Some of the older children in school will be helping the children to complete mini obstacles. Photos will be on next week's Nursery News.

Next Week

Next week we are learning about water safety.

Our story focus will be Seymour and the Lifeboats

Information for Families

A gentle reminder to apply sun cream before school. A hat for outside is required (please label them!) and a bottle of water will be needed for each session. If the weather is particularly hot and your child has no hat then their outside play will have to be restricted in the afternoon.

Parents Afternoon:

During the afternoon of Friday 1st July the nursery staff will be offering their time to discuss your child's progress and development this year. Your appointment will need to be booked through Scopay between Monday 20th June at 4pm and Monday 27th June.

Many thanks for your continued support
The Nursery Team
