

Ongar Place Nursery News

Ongar Place Primary School, Addlestone, Surrey 01932 842785

24th June 2022

Continuing our Learning Journey...

The children in nursery have been learning about The Royal National Lifeboat Institution and water safety. They have been exploring water (it was fantastic weather for this!) and finding out what items float and sink. We are so lucky to have the wooded area for the children to use; the children have been burning off their energy in 'The Woods'. The new furniture has arrived! We have defined learning areas and lots of lovely new role-play furniture and building blocks.

Next Week

Next week we are providing opportunities to develop fine motor control to help the children strengthen their finger muscles.

Our story focus will be Superworm

Information for Families

Parents Afternoon:

During the afternoon of Friday 1st July the nursery staff will be offering their time to discuss your child's progress and development this year. Your appointment will need to be booked through Scopay between Monday 20th June at 4pm and Monday 27th June.

If someone else is picking up your child from our nursery, please ensure you provide them with a password.

Many thanks for your continued support
The Nursery Team
