

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School,  
Addlestone, Surrey O1932 842785  
Issue Number 6  
18<sup>th</sup> October 2019

**Our Values:** Teamwork, Honesty,  
Self-belief, Determination, Passion  
and Respect

## Focus Learning

This week, we worked in groups to set up our own investigations in Science. We decided what question we would like to investigate and we came up with "How does the amount of sunlight/water or space affect the growth of a plant?" We established that we all had to be precise with our measurements. We will be keeping an eye on our plants everyday.

We have nearly finished our fabulous stories. All we have to do is write our ending paragraphs. We have worked very hard and we look forward to writing them up in best next week. We need to create our lovely borders to go around them too.

Beech class have been making a conscious effort to use dictionaries and thesauruses to improve their writing.

## Star learner

Our Star Learner this week is Arthur for conducting his science investigation with accuracy. Well done!

## Information for Families

- Parents Evening : 22<sup>nd</sup> and 24<sup>th</sup> October
- The children now have their own times table flashcards, which are to be learnt whenever they have free time. We do try to practice these everyday and we take a quiz on Fridays.
- Next Wednesday, we will be cooking so please do let me know if you have any queries about this.

**Thank you**
